File III

In paragraph of Mr. McFann's letter of the 19th Sept 1892, he claims a fee of Rupees 15 in each ~~case~~ ^{case} for ~~granting~~ ^{granting} Medical Certificates to 2 officials of the Civil & Military Station, who were attending St. Martha's Hospital. In both cases the request was for a certificate ~~he~~ was prepared through the Residency.

2. From the references put up the claim does not appear tenable, as there is an arrangement between the Residency and the Durbar under which the officials of the one ~~are~~ residing within the jurisdiction of the other are to receive Med. treatment at the Hospitals of the latter and vice versa. It is also reported that

2
medical Certificates were
anted by the Medical
authorities of the Bowring
Hospital to officials of the
Mysore State as a matter
of convenience.

3 The circumstances
under which Dr. Dobson who
was paid by Govt for
attending on Messrs Krishna
Rao and Knight are not
quite clear. Probably
it was because at that
time (May 1890) Dr.
Dobson who was then
in charge of the Senior
Surgeons Office did not
draw the special al-
lowance of Rs 650 for all
medical duties."

10/11

The arrangement referred
to in para 2 was made
in 1886. But when para.
was made to Dr. Dobson in
1890 for attending upon
Messrs Knight & Krishna
Rao, the Dewan Bahadur

remarked that the amount
is payable chargeable to
Mysore Government
under existing arrange-
ments - .

2 The arrangement
made in 1886 was apparently
modified subsequently.

I am directed to forward for the consideration of the Resident, copy of a letter N^o 568 dated 19th September 1892 from Dr. Mr. Gann, claiming fees for examining two officials of the establishments under the Resident, with a view to giving them the invaliding certificates prescribed by the Pension Code. I am to add an expression of my regret for the delay in

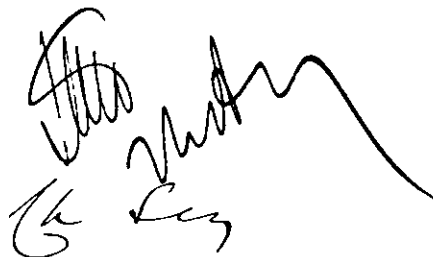

21

21

in transmitting this representation due to the necessity for examining precedents & previous correspondence which appeared to have a likely bearing on this question. It does not appear that there are any precedents to go by and the correspondence of 1886 cited in the margin, referred to treatment of sick and not to the granting of invaliding certificates to retiring officials. Thus the question seems to be now raised for the first time.

2. In reply, I am to say that when Dr. McGann asked for a fee in Honnaua Kaiho Case, he was informed semi-officially by Major Ravenshaw that his claim was inadmissible, as a portion of the person's gratuity was payable by the Durbar for services rendered to the State before the Rendition.

To this decision the Resident adheres.
